Standard Laminate Drop Lock vs. Innovative Drop Locking System

The new Innovative Drop Lock click system has 5x the contact points of a regular Drop Lock system making it one of the tightest easy to install click systems available today.

Standard Laminate Drop Lock

Innovative Drop Lock

Power Sealer

A dual application power sealing process protects all edges of the board against humidity like never before. Timber Impressions Black Label can be installed in kitchens and laundries.

Heavy Commercial Wear Resistance

A standard CE laminate is usually provided with an AC3 wear rating, not compatible with commercial use. Timber Impressions Black Label comes with an AC5 highly abrasive resistant commercial rating.

AtroGuard Technology

The above mentioned developments and innovations combine to produce Atroguard - your 25 hour guarantee against spills.

The Collection - Natural Timber Colour & Grain Variation

High number of colour variations within one decor (up to 18 different planks)

Care & Maintenance

Timber Impressions Black Label laminate floor is easy to maintain. Some simple care and maintenance procedures will help prevent wear and damage to your floor.

- The first laminate floor that can be wet mopped!
- Clean the floor regularly with a vacuum cleaner or soft broom; particles of dirt and grit that are left behind can damage the surface of the floor.
- Remove stains immediately with a well-wrung cloth
- Place small carpets or rugs on high-traffic areas.
- Place doormats at exterior doors.
- Place base, felt floor protectors under chair and table legs; do not use colored floor protectors.
- Place a protective mat under chairs with wheels.
- Place a protective dish under flowerpots.
- Never use abrasive agents, as they can affect the gloss layer.
- Never use wax on a laminate floor.
- Use floor protectors and furniture legs/castors with a large ground
